- L&R scales and rear 65mm pillar drills.

Drill Table & Fence Assembly

Code 106702

Optional Accessories

UJK Vee Block for Drill Table & Fence
Code 106699

This Vee block is an optional accessory for the UJK Drill Table and Fence. It simply bolts into the table in place of the sacrificial plate. This block allows you to accurately drill round workpieces. It has a centring hole for accurate placing for the drill bit. A simple and worthwhile accessory.

UJK Hold Down Clamp 50mm
Code 106121

The UJK hold-down clamp comes complete with an M8 x 50mm tee-bolt and an M8 through-threaded star knob. The tee-bolt is compatible with the UJK T-Track allowing you to use these hold-downs in a variety of situations. Also features an aluminium stepped track adaptor for use in T- tracks.
